SUBJECT: 18TH Annual RIMS/CPCU GOLF SCRAMBLE
Thursday, September 11, 2008

Notice: Change of Location to The Bull At Boone's Trace
<http://thebullgolf.com/Bull/Index.htm>

Due to construction that will be occurring at Arlington this year, we have moved the golf outing to The Bull at Boone's Trace. We believe you will find this a very good alternative and a great course. Last year we implemented several changes and we appreciate everyone's help. As we told you at last years outing, we were anticipating funding cuts from the Lohman Foundation and the local CPCU and RIMS chapters. Those cuts did indeed occur. With the tremendous response to the sponsorship of holes, we were able to offset most of those cuts.

In order to keep our level of commitment to the students and to the Insurance Studies Program at Eastern, we are asking for your continued help in sponsoring holes. Last year we were successful in getting all of the holes sponsored and we appreciate your help. The levels of sponsorship will be:

White Level	\$250
Green Level	\$500

The sponsorship will include a sign at the hole with your companies name on it. The prize holes will continue to be a \$250 commitment and companies that have sponsored those holes previously will get first shot.

Last year we cleared \$13008.95. Thank you again for your continued support of this program. In seventeen years we have cleared more than **\$143,000** and given over 30 scholarships to students majoring in insurance or loss control. We look forward to seeing you on September 11, 2008.
